Introduction:

Joey and Jeanie have enjoyed many years of Christian friendship and successful musical accomplishments.

“During an anointed prayer session, several years ago, we were directed by God to unite our musical talents. We teamed up to form a powerful duo, Joey and Jeanie. After penning numerous inspired songs together, and receiving many blessings of miracles and ministry, we are answering God’s call to expand our ministry. We share testimony and song, and inspire others into discipleship with our Lord and Savior, Jesus Christ.

Our Mission Focus:

...stirring up goodness, peace, and joy from the Lord
-inspired by Rom 14:17

Our joy of sharing engaging melodies and passionate vocal harmonies, reflect our love for Jesus through song. We sing ‘something for everyone’.
